**April Monthly Actions: Agency Took Licensure Action against Four Providers,  
24 Additional Providers Terminated or Suspended from the Medicaid Program**

**Tallahassee, Fla.** – The Agency for Health Care Administration (Agency) issued final orders to three providers for failure to meet licensure requirements and one Immediate Moratorium on Admissions on Andies, Inc. d/b/a Willow Manor Retirement Living, an assisted living facility in Broward County in April.

There was one final order to revoke an existing license and two final orders to deny a license renewal. Some of these providers were enrolled in the Medicaid program and the Agency has terminated or is in the process of terminating their participation in the program.

In addition, 19 providers were issued a final order terminating them from participation in the Medicaid program and have been reported to the federal government for placement on the federal exclusion list, which prohibits them from participating in Medicaid and Medicare nationwide. The Agency also suspended five providers from participation in the Medicaid program, prohibiting the providers from being paid for claims to the Medicaid program for furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services.

Agency Medicaid terminations and suspensions typically result from failure to return funds due to the Agency within required timeframes; a charge, indictment, or guilty plea to a health care related crime; suspension, termination, or exclusion from Medicare or Medicaid in another state; or a license denial, revocation, suspension or termination by the licensing agency
