February Monthly Actions: Agency Took Licensure Action against Nine Providers, 25 Additional Providers Suspended or Terminated from the Medicaid Program

Tallahassee, Fla. – The Agency for Health Care Administration (Agency) issued final orders to six providers for failure to meet licensure requirements in February.

There were two final orders to revoke an existing license and four final orders to deny a license renewal. Some of these providers were enrolled in the Medicaid program and the Agency has terminated or is in the process of terminating their participation in the program.

The Agency also issued an Immediate Moratorium on Admissions and Emergency Restriction Order to E2 Emerson and Emerson, LLC d/b/a Brightstar, a home health agency in Lake County; an Immediate Moratorium on Admissions and Emergency Suspension Order to Fairway Park Retirement Facility, Corp., an assisted living facility in Miami-Dade County; and an Immediate Moratorium on Admissions to Senior Living Properties II LLC dba Savannah Court of Orange City, an assisted living facility in Volusia County.

In addition, eight providers were issued final orders terminating them from participation in the Medicaid program and have been reported to the federal government for placement on the federal exclusion list, which prohibits them from participating in Medicaid and Medicare nationwide. The Agency also suspended 17 providers from participation in the Medicaid program, prohibiting the providers from being paid for claims to the Medicaid program for furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services.

Agency Medicaid terminations and suspensions typically result from failure to return funds due to the Agency within required timeframes; a charge, indictment, or guilty plea to a health care related crime; suspension, termination, or exclusion from Medicare or Medicaid in another state; or a license denial, revocation, suspension or termination by the licensing agency.
