AHCA Secretary Recognizes National Nursing Home Week

TALLAHASSEE, Fla. – Today, Agency for Health Care Administration (Agency) Secretary Justin M. Senior released the following statement recognizing the beginning of National Nursing Home Week (May 14-20):

“This week, nursing homes across Florida will host events in honor of National Nursing Home Week. Nursing homes care for many of our state’s most vulnerable residents, and I am thankful for their commitment to improving the quality of life for Floridians. When our staff visit facilities around the state, we are often amazed at the level of care and service that nursing home staff and administrators provide for their residents. Please join me in recognizing the hard work and dedication shown by these facilities.”
