Portal Registration Overview

The Care Provider Background Screening Clearinghouse (Clearinghouse) website is maintained by the Agency for Health Care Administration (AHCA) and available through the AHCA web portal (Portal). If you are not enrolled on the Portal, you will need to create a Portal account before requesting access to background screening and submitting a user agreement. The user agreement for new accounts must be received and approved by staff before accessing the site.

The link to the Portal is: <https://apps.ahca.myflorida.com/SingleSignOnPortal>. Once access is granted users may initiate a screening, search for screening results, connect to specified agency screenings, select a Livescan service provider and connect to the service provider's website to schedule appointments, and create and maintain an employee roster. Instructions for using the Clearinghouse results website can be found at http://ahca.myflorida.com/MCHQ/Central_Services/Background_Screening/BGS_results.shtml.
