

Florida Drug-Free Workplace Forensic Toxicology Laboratory Monthly Statistical Reporting

In accordance with Section 112.0455(12)(d), Florida Statutes and Section 440.102(9)(d), F.S., each forensic toxicology laboratory licensed to perform Florida Drug-Free Workplace Testing under Section 112.0455, F.S. or Section 440.102, F.S. shall submit to the Agency for Health Care Administration a monthly report with statistical information regarding the testing of employees and job applicants.

Information reported must not reveal the name of persons tested or the employer's identity.

Reports must be submitted to the Agency for Health Care Administration no later than 14 working days after the end of a reporting month. Reporting is required even if no Florida Drug Free Workplace testing has been done for the reporting month. (Reference Section 59A-24.006(15)(b), Florida Administrative Code)

Failure to submit a statistical report as required shall result in administrative action up to and including revocation of licensure. (Reference 59A-24.006(12)(a), Florida Administrative Code)

Reporting Month: _____ Year: _____

Forensic Toxicology Laboratory Name: _____

License Number: T _____

Physical Address: _____

Total number of specimens received for testing	
Total number of specimens received but not tested
