Section 215.26 states in part: "Application for refunds as provided by this section shall be filed with the comptroller, except as otherwise provided herein, within 3 years after the right to such refund shall have accrued else such shall be barred." Three years is interpreted as meaning three years from the date of payment into the State Treasury. The Chief Financial Officer has delegated the authority to accept application for refund to the unit of State government, which initially collected the money.
