Agency for Health Care Administration Unveils New Logo and Website
~ New look emphasizes modern, mobile-friendly design and usability ~

TALLAHASSEE, Fla. - The Agency for Health Care Administration launched a new website today dedicated to visitors using mobile devices. The entire website was developed with an emphasis on using newer technologies to create a more modern representation of the Agency and its initiatives. The Agency also revealed a new logo that includes an image of the Agency’s traditional red heartbeat encompassed in a blue seal and surrounded by a white border displaying the words “Agency for Health Care Administration – State of Florida.”

“I am excited about our new website design and believe these changes will help us not only reach more people, but also provide a better experience for current users who visit our site on a regular basis,” said Secretary Liz Dudek.

To view the new website and logo, please go to www.ahca.myflorida.com.

The Agency for Health Care Administration is committed to better health care for all Floridians. The Agency administers Florida’s Medicaid program, licenses and regulates more than 45,000 health care facilities and 34 health maintenance organizations, and publishes health care data and statistics at www.FloridaHealthFinder.gov. Additional information about Agency initiatives is available via Facebook (AHCAFlorida), Twitter (@AHCA_FL) and YouTube (/AHCAFlorida).
