

**Agency for Health Care Administration
2019-2020 Annual Regulatory Plan**

Rule	Law enacted or amended during previous 12 months which creates or modifies duties or authority of Agency.	Must rules be adopted to implement law? If not, please explain.	NORD published in FAR? If yes, provide citation (Vol./No.)	Expected date of NOPR publication.	Law not enacted or amended during previous 12 months for which implementation by rulemaking is expected to occur before July 1, 2019.	For each law identified in the previous category, please state whether rulemaking is intended to simplify, clarify, increase efficiency, improve coordination with other agencies, reduce regulatory costs, or delete obsolete, unnecessary, or redundant rules.	Law identified in a prior year as requiring rulemaking or for which rulemaking was expected but for which no NOPR has been published.	For each law identified in the previous category, provide the FAR citation (Vol./No.) for the NORD.	For each law in the previous 2 categories for which rulemaking has been determined unnecessary, explain why the law can be implemented without rulemaking.
