

Available Dialysis Services Memo
October 12, 2018

As our communities are dealing with the impact of Hurricane Michael, we are aware of the continuing need for dialysis services for many. If you or a person for whom you are providing care is affected by the closure of a dialysis facility, please contact the hotline for your provider.

- **DaVita:** 800.400.8331
- **Fresenius:** 800.626.1297 (or 601-940-3335 for patients in the Panama City area)

You may also contact Network 7 at 813-383-1530.

You may also get more patient information related to dialysis services at the following website: <https://www.kcercoalition.com/en/patients/>
