

How to Locate Providers in the Emergency Status System (ESS) Audience: AHCA Staff and Partners

1. Navigate to the website: <https://apps.ahca.myflorida.com/ess>
2. Log in. Once logged in, you will see your name and email at the top right. The tabs displayed vary based on your permissions.

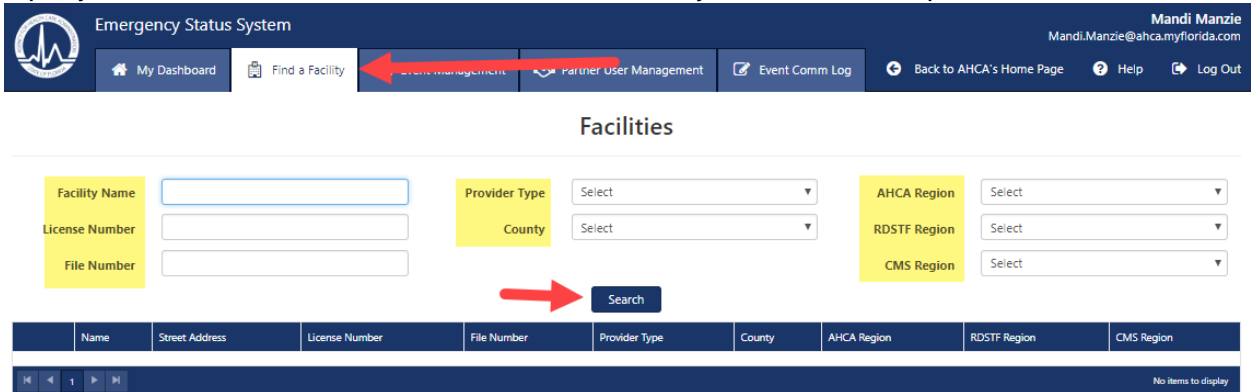

Note: The accuracy of the data contained within the Emergency Status System is solely based on provider-reported information.

3. Click the “Find a Facility” tab.

Note: The accuracy of the data contained within the Emergency Status System is solely based on

4. Input your search criteria and click “Search”. You may use one or multiple criteria.
