

HEALTH FACILITY REPORTING SYSTEM

How to Locate Providers in the Health Facility Reporting System (HFRS) Audience: AHCA Staff and Partners

1. Navigate to the website: <https://apps.ahca.myflorida.com/hfrs>
2. Log in. Once logged in, you will see your email at the top right. The tabs displayed vary based on your permissions.

3. Click the "Find a Facility" tab.

4. Input your search criteria and click "Search". You may use one or multiple criteria.

Facilities

Facility Name

License Number

File Number

Provider Type

County

City

AHCA Region

RDSTF Region

Event

= Facility is currently in an active event

Name	Street Address	License Number	File Number	Provider Type	County	City	AHCA Region	RDSTF Region	Out of Service?
No items to display									

- All results matching the criteria will display in the grid below the “Search” button. Locate the provider and click “Details” next to the name to open the provider’s record.
