Reminder: fact sheet for Vagus Nerve Stimulators when implanted in a hospital or ambulatory surgical center setting

The Agency for Health Care Administration (Agency) website provides a link to the Vagus Nerve Stimulator (VNS) Reimbursement Fact Sheet. The device billing information was effective in the fee-for-service delivery system November 2, 2017. The fact sheet may be found on the Agency’s Institutional Reimbursement web page.

Information includes:

- Device codes, surgical codes, and reimbursement rates
- Instructions on complete and partial device replacements

If you have any questions regarding VNS reimbursement please call Medicaid Policy at (850) 412-4003.
