Florida Medicaid Health Care Alert

April 15, 2020

Provider Type(s): All

Medicaid Provider Enrollment 6-Month Revalidation Extension

The Agency for Health Care Administration (Agency) recognizes the impact that the 2019 novel coronavirus (COVID-19) is having on Florida Medicaid providers. This alert provides information for providers that are due for the required provider enrollment revalidation process with Florida Medicaid during the State of Emergency.

Florida Medicaid providers who have a revalidation date of March 19, 2020 through September 30, 2020, will automatically have their revalidation date extended 6 months from the current revalidation date. **This systematic update will occur with no action required by the provider.** Additionally, for those Florida Medicaid providers with revalidation dates of March 19, 2020 and forward, who currently have an active restriction on their file due to incomplete revalidation, the Agency will remove that restriction and extend their revalidation date for 6 months.

For questions related to this alert, or for assistance with provider enrollment, please call the Florida Medicaid Provider Enrollment Contact Center at 1-800-289-7799, Option 4.
