1902(a)(10)(A)(ii)(I)  
1902(a)(10)(A)(ii)(IV)

**Reasonable Classification of Individuals under Age 21** - The state elects to cover one or more reasonable classifications of individuals under age 21 who are not mandatorily eligible and who have income at or below a standard established by the state and in accordance with provisions described at 42 CFR 435.222.

Yes  No

The state attests that it operates this eligibility group in accordance with the following provisions:

- Individuals qualifying under this eligibility group must qualify under a reasonable classification by meeting the following criteria:
  - Be under age 21, or a lower age, as defined within the reasonable classification.
  - Have household income at or below the standard established by the state, if the state has an income standard for the reasonable classification.
  - Not be eligible and enrolled for mandatory coverage under the state plan.
- MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

The state covered at least one reasonable classification under this eligibility group under its Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013, with income standards higher (including disregarding all income) than the current mandatory income standards for the individual's age.

Yes  No

The state also covered at least one reasonable classification under this group in the Medicaid state plan as of March 23, 2010 with income standards higher (including disregarding all income) than the current mandatory income standards for the individual's age.

Yes  No

### Reasonable Classifications Covered in the Medicaid State Plan as of March 23, 2010

- The state attaches the approved pages from the Medicaid state plan as of March 23, 2010 to indicate the age groups, reasonable classifications, and income standards used at that time for this eligibility group.

An attachment is submitted.

Current Coverage of All Children under a Specified Age

# Medicaid Eligibility

The state covers all children under a specified age limit, equal to or higher than the age limit and/or income standard used in the Medicaid state plan as of March 23, 2010, provided the income standard is higher than the current mandatory income standard for the individual's age. The age limit and/or income standard used must be no higher than any age limit and/or income standard covered in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013. Higher income standards may include the disregard of all income.

Yes    No

Indicate below the age under which all children are covered under this eligibility group, based on a specific age group used previously in the Medicaid state plan or under a Demonstration, which is equal to or higher than the age group for coverage of all children in the Medicaid state plan as of March 23, 2010.

Under age 21    Under age 20    Under age 19    Under age 18

Enter the income standard used for this age group. The standard must be higher than the mandatory income standard for the individual's age, not more restrictive than that used in the Medicaid state plan as of March 23, 2010 and not less restrictive than that used in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

Income standard used

Minimum income standard

The minimum income standard for this classification of children is the AFDC payment standard in effect as of July 16, 1996, not converted to MAGI-equivalent. This standard is described in S14 AFDC Income Standards.

Maximum income standard

No income test was used (all income was disregarded) for this classification either in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

Yes    No

The state certifies that it has submitted and received approval for its converted income standards for this classification of children to MAGI-equivalent standards and the determination of the maximum income standard to be used for this classification of children under this eligibility group.

**An attachment is submitted.**

The state's maximum income standard for this classification of children (which must exceed the minimum for the classification) is:

The state's effective income level for this classification of children under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.

The state's effective income level for this classification of children under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

# Medicaid Eligibility

## Current Coverage of Reasonable Classifications Covered in the Medicaid State Plan as of March 23, 2010

The state covers reasonable classifications of children previously covered in the Medicaid state plan as of March 23, 2010, with income standards higher than the current mandatory income standard for the age group. Age limits and income standards are equal to or higher than the Medicaid state plan as of March 23, 2010, but no higher than any age limit and/or income standard for this classification covered in the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013. Higher income standards may include the disregard of all income.

Yes  No

## Other Reasonable Classifications Previously Covered

The state covers reasonable classifications of children not covered in the Medicaid state plan as of March 23, 2010, but covered under the Medicaid state plan as of December 31, 2013 or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013 with an income standard higher than the current mandatory income standard for the age group.

Yes  No

## Additional new age groups or reasonable classifications covered

If the state has not elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does not cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.

Yes  No

There is no resource test for this eligibility group.
