

Employee Education About False Claims Recovery

Initial Compliance

The State will provide notification of the requirements of the Act to entities identified to have met the stated threshold via Certified US Mail no later than April 30, 2007, which will include notice that the State will incorporate compliance assessments into routine and targeted random onsite visits beginning June 1, 2007.

Ongoing Compliance

The State will incorporate reference to the Act in the provider enrollment agreement of new applicants approved to become Medicaid providers and upon reenrollment of entities currently active in the Medicaid Program who meet the stated threshold, which occurs every two years. Additionally, reference to the Act will be incorporated into managed care contracts via amendment no later than June 1, 2007.

Ongoing compliance assessments will occur through routine random onsite visits and/or surveys.
