Statewide Medicaid Managed Care (SMMC) Policy Transmittal

Policy Transmittal: 14-08

Applicable to:

Long-term Care Fee-for-Service Provider Service Network

Re: Achieved Savings Rebate Financial Report: June 30, 2014 Quarter

The purpose of this policy transmittal is to notify the Long-term Care plan of a new ad hoc report requirement regarding the Achieved Savings Rebate (ASR) Financial Report.

The requirement for submission of the Achieved Savings Rebate Financial Report is codified in Attachment II, Exhibit 13.G., Achieved Savings Rebate.

Long-term Care (LTC) plans must submit financial data for the June 30, 2014 quarter, using the ASR Financial Report template (ASR Financial Report, Revised 061214) which is included with this policy transmittal. The data reported on the ASR Financial Report template must be prepared in accordance with the applicable instructions for each schedule, including quarters reported and paid through dates. Lines applicable to services processed by the Agency through the Florida Medicaid Management Information System (FMMIS) do not need to be reported. In addition, the ASR Exhibit does not need to be completed. This request must be submitted to the SMMC SFTP site by August 15, 2014, using the following naming convention: ASR***YYQ#.xls, where *** is the managed care plan's three-character plan identifier and the YYQ# is the most recent quarter of information reported.

This updated report requirement will be included in a future version of the Statewide Medicaid Managed Care (SMMC) Managed Care Plan Report Guide; at that time, you may discontinue this ad hoc report submission.

If you have any questions, please contact Brian Meyer at (850) 412-3446.

Sincerely,

Beth Kidder
Assistant Deputy Secretary for
Medicaid Operations
