Statewide Medicaid Managed Care (SMMC) Policy Transmittal

Policy Transmittal: 14-09

Applicable to:

- Comprehensive Long-term Care (LTC) Plan
- Managed Medical Assistance Health Maintenance Organization
- Managed Medical Assistance Provider Service Network
- Managed Medical Assistance Specialty Plan

Re: Achieved Savings Rebate Financial Report: August 2013 through December 2013

The purpose of this policy transmittal is to notify Comprehensive Long-term Care plans of a new ad hoc report requirement regarding the Achieved Savings Rebate (ASR) Financial Report.

The requirement for submission of the Achieved Savings Rebate Financial Report is codified in Attachment II, Section IX.B.5., Achieved Savings Rebate.

Comprehensive Long-term Care (LTC) plans must submit financial data for the period August 1, 2013 through December 31, 2013, using the ASR Financial Report template (ASR Financial Report, Revised 061214) which is included with this policy transmittal. The ASR Exhibit within this ASR Financial Report template does not need to be completed as the ASR was not applicable for calendar year 2013. The data reported on the ASR Financial Report template must be prepared in accordance with the applicable instructions for each LTC schedule. This request must be submitted to the SMMC SFTP site by July 25, 2014, using the following naming convention: ASR***YYQ#.xls, where *** is the managed care plan's three-character plan identifier and the YYQ# is the most recent quarter of information reported.

This updated report requirement will be included in a future version of the Statewide Medicaid Managed Care (SMMC) Managed Care Plan Report Guide; at that time, you may discontinue this ad hoc report submission.

If you have any questions, please contact Brian Meyer at (850) 412-3446.

Sincerely,

Beth Kidder
Assistant Deputy Secretary for
Medicaid Operations
