Statewide Medicaid Managed Care (SMMC) Policy Transmittal

Policy Transmittal: 14-19

Applicable to:

Long-term Care Provider Service Network

Re: Achieved Savings Rebate Financial Report: August 2013 through December 2013

The purpose of this policy transmittal is to notify Statewide Medicaid Managed Care (SMMC) Long-term Care (LTC) Provider Service Network (PSN) plans of a new ad hoc report requirement regarding the Achieved Savings Rebate (ASR) Financial Report.

The requirement for submission of the Achieved Savings Rebate Financial Report is codified in the LTC Model Contract in Attachment II, Exhibit 13.G. Achieved Savings Rebate. Long-term Care PSN plans must submit financial data for the period August 1, 2013 through December 31, 2013, using the revised ASR Financial Report template (ASR Financial Report, Revised 102014) which is included with this policy transmittal.

The ASR Exhibit within the ASR Financial Report template does not need to be completed as the ASR was not applicable for calendar year 2013. The data reported on the ASR Financial Report template must be prepared in accordance with the applicable instructions for each LTC schedule. Expenses must be reported by population using the 2013-2014 flag set provided separately by the Agency. This report must be submitted to the SMMC SFTP site by November 17, 2014, using the following naming convention: ASR***YYQ#.xls, where *** is the SMMC plan's three-character plan identifier and the YYQ# is the most recent quarter of information reported.

If you have any questions, please contact Brian Meyer at (850) 412-4017.

Sincerely,

Beth Kidder
Assistant Deputy Secretary for
Medicaid Operations
