Getting Started
1. Enroll as a Medicaid Provider (EDS will approve the application).
2. County will enter into an agreement with AHCA to be reimbursed for these services.
3. County will enter into an agreement with a Medicaid enrolled providers to deliver the services.

Implementation
1. The County will pay the providers in full.
2. The County will submit quarterly certification to AHCA that payments have been paid to providers in full.
3. The County will submit claims to AHCA’s fiscal agent (EDS).
4. AHCA will then reimburse the County for Federal portion of certified expenditures.

Monitoring
AHCA will:
1. Monitor the counties for compliance.
2. Produce any Medicaid specific reports.
3. Notify the County of any changes in match percentages.
4. Reconcile County certification with filed claims to assure that sufficient local tax dollars have been utilized.

The County will:
1. Monitor the providers for program compliance.
