## **Department of Health Form for Vaccinating Persons Extremely Vulnerable to COVID-19**

---

Governor DeSantis has issued Executive Order [21-47](#) establishing additional authority and criteria for the vaccinations including individuals under age 65 who are extremely vulnerable to COVID-19. These individuals may be vaccinated by a pharmacy or Advanced Practice Registered Nurse with a physician's statement. The Department of Health (DOH) has issued Emergency Rule 64DER21-3 which includes the form [DH8014-DCHP-03/2021](#) for physician certification.

As authorized in EO 20-315, hospitals may continue to vaccinate individuals ages 16 to 64 who are medically vulnerable without the DOH form.
