COVID-19 Long-Term Care Vaccinations

As a reminder, registration for the federal Pharmacy Partnership for Long-term Care Program is slated to close Friday, November 6th.

Sign Up for Pharmacy Partnership for Long-Term Care Program for COVID-19 Vaccination

The Centers for Disease Control and Prevention is partnering with CVS and Walgreens to offer on-site COVID-19 vaccination services for residents of nursing homes and assisted living facilities, adult family care homes, and intermediate care facilities for the developmentally disabled once vaccination is recommended for them. The Pharmacy Partnership for Long-term Care (LTC) Program provides end-to-end management of the COVID-19 vaccination process to facilitate safe vaccination of this patient population, while reducing burden on LTC facilities and jurisdictional health departments. An [overview of the program](#) as well as [frequently asked questions](#) regarding the program is available on the Agency's website at http://ahca.myflorida.com/COVID-19_Facilities.shtml#facility.

If interested in participating, LTC facilities should sign up (or opt out) by November 6. If you are opting not to participate in the program, the CDC is asking that you indicate that in the registration process.

A nursing home or skilled nursing facility must be enrolled in the NHSN LTCF COVID-19 module to be able to make a selection of COVID-19 vaccine pharmacy providers. Please follow the enrollment steps here: <https://www.cdc.gov/nhsn/ltc/covid19/enroll.html>.

Assisted living facilities, adult family care homes, and intermediate care facilities for the developmentally disabled wishing to participate should visit <https://redcap.link/LTCF>.

The Agency for Health Care Administration is committed to better health care for all Floridians. The Agency administers Florida's Medicaid program, licenses and regulates more than 44,000 health care facilities and 53 health plans, and publishes health care data and statistics at www.FloridaHealthFinder.gov. Additional information about Agency initiatives is available via [Facebook \(AHCAFlorida\)](#), [Twitter \(@AHCA_FL\)](#) and [YouTube \(/AHCAFlorida\)](#).
