AHCA NO. 20-003

EMERGENCY ORDER

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory condition accompanied by fever and cough and other symptoms that can spread through humans through contact;

WHEREAS, all counties in Florida have confirmed cases of COVID-19;

WHEREAS, on March 9, 2020, the Governor of the State of Florida, Ron DeSantis signed Executive Order 20-52 declaring a state of emergency in Florida and providing the power for State agencies to suspend the provisions of any Florida regulatory statute or rule that would prevent timely execution of the State's necessary actions to prevent, mitigate or respond to the state of emergency and fully execute the actions required in response to COVID-19 consistent with the State's Emergency Management Plan;

WHEREAS, on April 14, 2020, I issued Emergency Order No. 20-002 temporarily extending nursing home and intermediate care facility quality assessment fees for the month of March; and

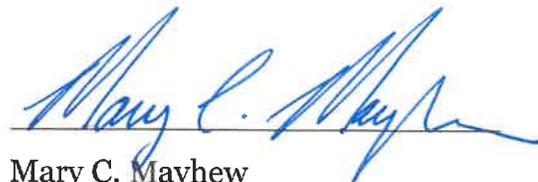

NOW, THEREFORE, I, MARY C. MAYHEW, as Secretary of the Agency for Health Care Administration, pursuant to the authority granted by Executive Order No. 20-52, find that strict compliance with the provisions of certain regulatory statutes and

rules prescribing the procedures for conduct of state business by the Agency for Health Care Administration will prevent, hinder or delay necessary action in coping with the emergency caused by COVID-19. In order to effectively respond to the threat posed by COVID-19 it is necessary to promulgate the following:

1. For purposes of preparing for, responding to, and mitigating the effects of COVID-19 on nursing home finances, section 409.9082(2), Florida Statutes, is hereby temporarily suspended for all nursing home quality assessments for March 2020 and April 2020, which are due in April 2020 and May 2020, respectively. The assessments for March and April will instead be **due in full** by June 20, 2020. Providers must continue to report and submit bed days to generate invoices to the online reporting application, for March 2020 and April 2020. Regular collection of fees will resume on June 20, 2020.

2. For purposes of preparing for, responding to, and mitigating the effects of COVID-19 on Intermediate Care Facility (ICF) finances, section 409.9083(2), Florida Statutes, is hereby temporarily suspended for all ICF assessments for March 2020 and April 2020, which are due in April 2020 and May 2020, respectively. The assessments for March and April will instead be **due in full** by June 15, 2020. Providers must continue to report and submit bed days to generate invoices to the online reporting application for March 2020 and April 2020. Regular collection of fees will resume on June 15, 2020.

Executed this 13 day of May 2020, in Agency for Health Care Administration Offices, Tallahassee, Leon County, Florida.
