1.0 Introduction

1.1 Description

Early intervention services (EIS) provide for the early identification and treatment of recipients under the age of three years (36 months) with developmental delays or related conditions.

1.1.1 Medicaid Policies

This policy is intended for use by providers that render early intervention services to eligible Florida Medicaid recipients. It must be used in conjunction with Florida Medicaid's General Policies (as defined in section 1.3) and any applicable service-specific and claim reimbursement policies with which providers must comply.

Note: All Florida Medicaid policies are promulgated in Rule Division 59G, Florida Administrative Code (F.A.C.). Coverage policies are available on the Agency for Health Care Administration's (AHCA) Web site at <http://ahca.myflorida.com/Medicaid/review/index.shtml>.

1.1.2 Statewide Medicaid Managed Care

This is not a covered service in the Statewide Medicaid Managed Care program.

1.2 Legal Authority

Early intervention services are authorized by the following:

- Title 34, Code of Federal Regulations (CFR), Part 303
- Section 409.906, Florida Statutes (F.S.)
- Section 391, Part III, Florida Statutes (F.S.)
- Rule 59G-4.085, F.A.C.

1.3 Definitions

The following definitions are applicable to this policy. For additional definitions that are applicable to all sections of Rule Division 59G, F.A.C., please refer to the Florida Medicaid definitions policy.

1.3.1 Claim Reimbursement Policy

A policy document found in Rule Division 59G, F.A.C. that provides instructions on how to bill for services.

1.3.2 Coverage and Limitations Handbook or Coverage Policy

A policy document found in Rule Division 59G, F.A.C. that contains coverage information about a Florida Medicaid service.

1.3.3 General Policies

A collective term for Florida Medicaid policy documents found in Rule Chapter 59G-1, F.A.C. containing information that applies to all providers (unless otherwise specified) rendering services to recipients.

1.3.4 Developmental Delay

As defined in section 391.302, F.S.

1.3.5 Developmental Domains

Include:

- Cognition
- Physical, motor, and sensory
- Communication
- Social and emotional
- Self-help and adaptive development

1.3.6 Early Intervention Session

Face-to-face visit with a recipient and the recipient's parent(s) or legal guardian(s), family member(s), or caregiver(s) to provide family training and support to minimize the impact of the recipient's disability, by fostering optimal individual growth and development.

1.3.7 Early Steps Program

Department of Health (DOH) program that administers the Individuals with Disabilities Education Act, Part C program in Florida.

1.3.8 Individualized Family Service Plan (IFSP)

As defined in 34 CFR 303.20.

1.3.9 Infant Toddler Developmental Specialist (ITDS)

Non-licensed practitioner certified by the DOH to perform EIS.

1.3.10 Multidisciplinary Team

As defined in 34 CFR 303.24.

1.3.11 Medically Necessary/Medical Necessity

As defined in Rule 59G-1.010, F.A.C.

1.3.12 Provider

The term used to describe any entity, facility, person, or group enrolled with AHCA to furnish services under the Florida Medicaid program in accordance with the provider agreement.

1.3.13 Recipient

For the purpose of this coverage policy, the term used to describe an individual enrolled in Florida Medicaid (including managed care plan enrollees).

1.3.14 Screening

Brief assessment of a recipient to identify the presence of a developmental delay that may require further evaluation.

2.0 Eligible Recipient

2.1 General Criteria

An eligible recipient must be enrolled in the Florida Medicaid program on the date of service and meet the criteria provided in this policy.

Provider(s) must verify each recipient's eligibility each time a service is rendered.

2.2 Who Can Receive

Florida Medicaid recipients under the age of three years (36 months) requiring medically necessary early intervention services who have been referred to, or participate in, DOH's Early Steps program.

Some services may be subject to additional coverage criteria as specified in section 4.0.

2.3 Coinsurance and Copayments

There is no coinsurance or copayment for this service in accordance with section 409.9081, F.S. For more information on copayment and coinsurance requirements and exemptions, please refer to Florida Medicaid's General Policies on copayment and coinsurance.

3.0 Eligible Provider

3.1 General Criteria

Providers must meet the qualifications specified in this policy in order to be reimbursed for Florida Medicaid early intervention services.

3.2 Who Can Provide

Services must be rendered by one of the following:

- Infant, Toddler, Developmental Specialists certified by DOH or its designee.
- Practitioners licensed within the scope of their practice in Florida, including:
 - Advanced Registered Nurse Practitioners
 - Audiologists
 - Clinical Psychologists
 - Clinical Social Workers
 - Marriage and Family Counselors
 - Mental Health Counselors
 - Nutrition Counselors
 - Physical Therapists
 - Physicians
 - Physician Assistants
 - Occupation Therapists
 - Registered Dietitians
 - Registered Nurse
 - School Psychologists
 - Speech and Language Pathologist

4.0 Coverage Information

4.1 General Criteria

Florida Medicaid covers services that meet all of the following:

- Are determined medically necessary
- Do not duplicate another service
- Meet the criteria as specified in this policy

4.2 Specific Criteria

Florida Medicaid covers the following services in accordance with the applicable Florida Medicaid fee schedule, or as specified in this policy, for recipients who are referred by a physician or other licensed practitioner prior to the screening date:

- Up to three screenings per year, per recipient, to identify the presence of a developmental disability
- One initial evaluation (maximum of eight units) per lifetime, per recipient when conducted by a multidisciplinary team
- Up to three follow-up evaluations (maximum of 24 units) per year, per recipient
- Up to two individual or EIS sessions per week (maximum of four units per day) per recipient that includes the following:
 - Supporting family or caregiver in learning new strategies to enhance a recipient's development and participation in the natural activities and routines of everyday life
 - Training parents to implement intervention strategies to minimize potential adverse effects and maximize healthy development
 - Group sessions must include two or more recipients

Florida Medicaid may cover additional services and supports identified during an evaluation through a different service benefit.

4.3 Early and Periodic Screening, Diagnosis, and Treatment

As required by federal law, Florida Medicaid provides services to eligible recipients under the age of 21 years, if such services are medically necessary to correct or ameliorate a defect, a condition, or a physical or mental illness. Included are diagnostic services, treatment, equipment, supplies, and other measures described in section 1905(a) of the SSA, codified in Title 42 of the United States Code 1396d(a). As such, services for recipients under the age of 21 years exceeding the coverage described within this policy or the associated fee schedule may be approved, if medically necessary. For more information, please refer to Florida Medicaid's General Policies on authorization requirements.

5.0 Exclusion

5.1 General Non-Covered Criteria

Services related to this policy are not covered when any of the following apply:

- The service does not meet the medical necessity criteria listed in section 1.0
- The recipient does not meet the eligibility requirements listed in section 2.0
- The service unnecessarily duplicates another provider's service

5.2 Specific Non-Covered Criteria

Florida Medicaid does not cover the following under this service benefit:

- Behavioral health services as an EIS session
- Physical or occupational therapy services as an EIS session
- Respite or care to facilitate a parent or legal guardian attending to personal matters
- Screenings on the same date of service as an Early Steps program targeted case management screening
- Sessions not authorized in the Individualized Family Support Plan (IFSP)
- Sessions conducted by more than one provider, on the same day, for the same recipient, separately
- Sessions rendered in a prescribed pediatric extended care center
- Speech-language pathology services as an EIS session
- Travel time

Florida Medicaid may cover some services listed in this section through a different service benefit.

6.0 Documentation

6.1 General Criteria

For information on general documentation requirements, please refer to Florida Medicaid's General Policies on recordkeeping and documentation.

6.2 Specific Criteria

Providers must maintain all of the following in the recipient's file:

- Individualized Family Support Plan written in accordance with 34 CFR 303.340
- Plan of care (POC) developed by the IFSP team that is updated every six months, or upon a change in the recipient's condition requiring an alteration in services, whichever comes first. The POC must include the following:
 - Description of the recipient's medical diagnosis consistent with the screening
 - Developmental domain(s) for which services are being provided
 - Measurable objectives with targeted completion dates that are identified for each goal
 - Summary of specific activities that will occur during the session in order to achieve the stated goal(s) or outcome(s)
 - The amount, frequency, and duration of each service(s) to be provided
- Progress notes from EIS session(s) including the following:

- Whether an individual or group session was provided
 - Detail of activities provided during the session
 - Follow-up activities suggested for the family to work on between sessions
 - Progress achieved during the session
- Evaluation

Providers may use the IFSP as a substitute for the POC if the IFSP contains all of the requirements of the POC as specified in this policy.
