Re: MMA Physician Incentive Program (MPIP) Florida Medicaid Cesarean Section Rate Calculation Specifications 2016

The Agency issued Policy Transmittal 16-07, *MMA Physician Incentive Program & Ad Hoc Request for Plan Proposals*, and its attachments on April 7, 2016. The purpose of this policy transmittal is to clarify information in that policy transmittal.

Agency updated information included in Attachment II of Policy Transmittal 16-07, which is provided for your MPIP operations. The re-measurement period has been revised to clarify that managed care plans may use the July 1, 2016 through November 30, 2016 measurement period only for the C-section rate calculation to determine any additional (new) providers that qualify to receive MPIP incentive payments from April 1, 2017 through September 30, 2017.

If you have any questions, please contact your Agency contract manager at (850) 412-4004.

Sincerely,
