Re: Discontinuance of the Ad Hoc Private Duty Nursing (PDN) Report

Managed care plans began weekly submission of an ad hoc report related to the provision of PDN services to the Agency with policy transmittal 16-28 issued October 5, 2016. The frequency of submission of the ad hoc PDN report changed to monthly with policy transmittal 17-11 issued April 14, 2017. The purpose of this policy transmittal is to notify managed care plans that the Agency is discontinuing the ad hoc PDN report; the last required submission was due on December 4, 2017.

If you have any questions, please contact your Agency contract manager at (850) 412-4004.
